

Instructions for the Christmas Advent Calendar

Supplies:

- Scissor
- Thread
- Pins
- Ribbon/sticks

Instructions:

1. Cut out on the edge of each element
 2. Make sets from a frontside and a matching backside
 3. Lay both good sides at each other, and pin it
 4. Follow these instructions for each different element
 5. Then you have followed the instructions, add the elements on a rope or ribbon, and wait until 1 December!
- If you want to reuse the ball/tree/star, keep a smaller part open, don't sew, only iron.

Instructions Tree/Star:

1. Sew with 0,5 cm seam allowance around, and keep 5 cm open.
Choose a place for that where the present will fit in the three
2. Trim the excess seam allowance at the points. The points will be looking sharp when you turn the tree/star
3. Turn the tree/star so the good sides are outside
4. Iron the tree/star
5. Create a loop from the fabrics on the panel. And attach it
6. Fill it with presents and close the tree with sewing

Instructions Sock/Glove/Present:

1. Sew with 0,5 cm seam allowance around, and keep the top open.
2. Turn the sock/glove/present, so good sides are outside.
3. Create a seam on top
4. Create a loop from the fabrics on the panel. And attach it
5. Iron the sock/glove/present
6. Fill it with presents!

Instructions Ball:

1. Sew with 0,5 cm seam allowance around, and keep 5 cm open on the top. This is a gap to fill with presents and attach the loop
2. Trim the excess seam allowance away
3. Turn the ball so that the good sides are outside
4. Create a loop from the fabrics on the panel.
5. Iron the ball
6. Fill it with (small) presents
7. Attach the loop and sew so the ball is closed
